Mailing Address: _____

This is helpful if you prefer to have your dress mailed to you so you can have alterations to your dress made locally to you. We will charge a flat fee of \$15.00 for shipping.

Please measure over undergarments only. Measuring over clothing will give false measurements. Your dress size will be determined by cross referencing your measurements with the manufacturer's size chart. Every attempt is made to order the dress in the most appropriate size. Please keep in mind that we are working with a standard size chart and many figures are not standard. It is much easier to take a garment in than it is to let it out. If you are between sizes we recommend choosing the larger of the two sizes. In addition, bridesmaid's dresses often run small.
